## Federal Income Tax

From questions asked us we believe that there are many people who are liable for Federal Income Tax who do not realize that they owe such a tax.

Many individuals, men and women, who have no dependents and who earn more than \$1,000 a year do not realize that they are subject to

this tax. Some married people who earn more than \$2,000 a year and in excess of dependent deductions, do not seem to realize that they, too, must make a
